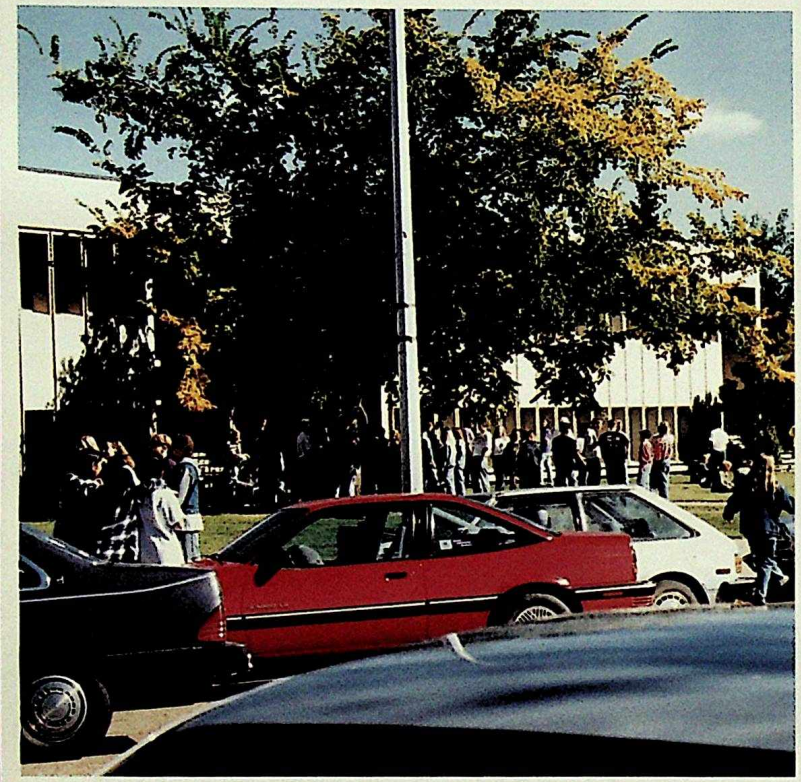
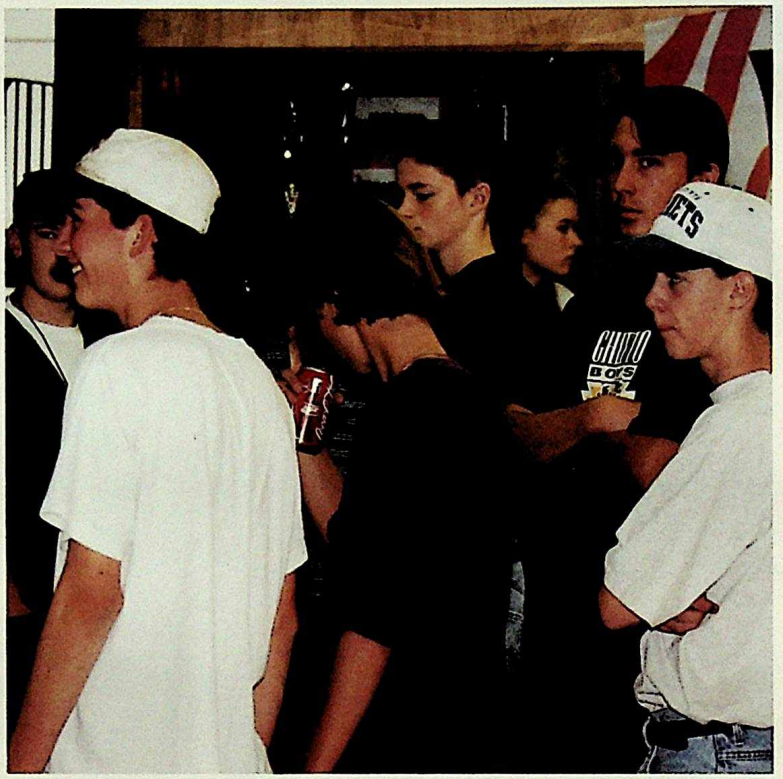
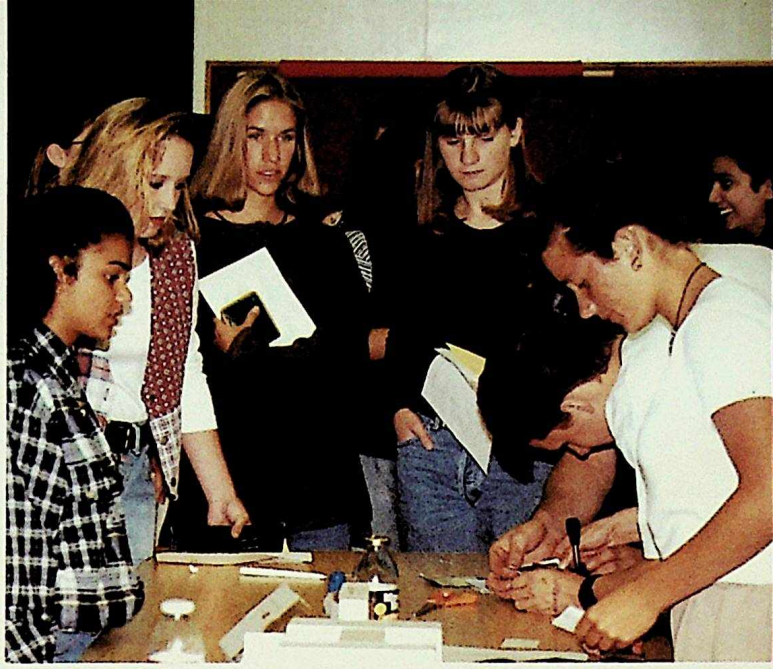
Welcome to Seasons

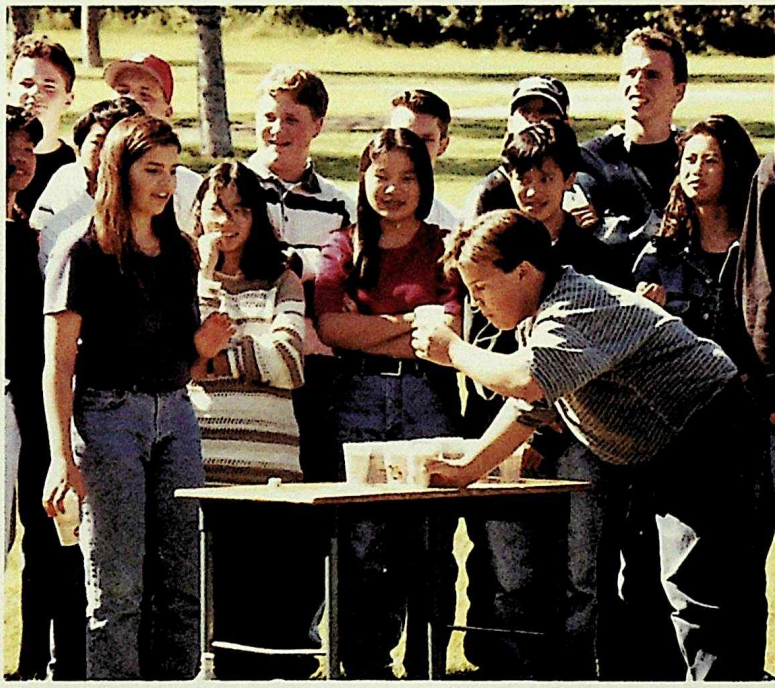
The theme chosen by the yearbook committee for this year was 'Seasons' because it best represents the changes that take place with students at McNally as they enter timidly in Grade 10 and leave as confident graduands in Grade 12. The first sixteen pages which include some color represent a collage of events during the year as the Seasons changed from Fall to Winter and then finally to Spring. The collage tries to answer the question **"What does NIHIL SED OPTIMUM really mean?"**

... it means a place with a beginning and a climax

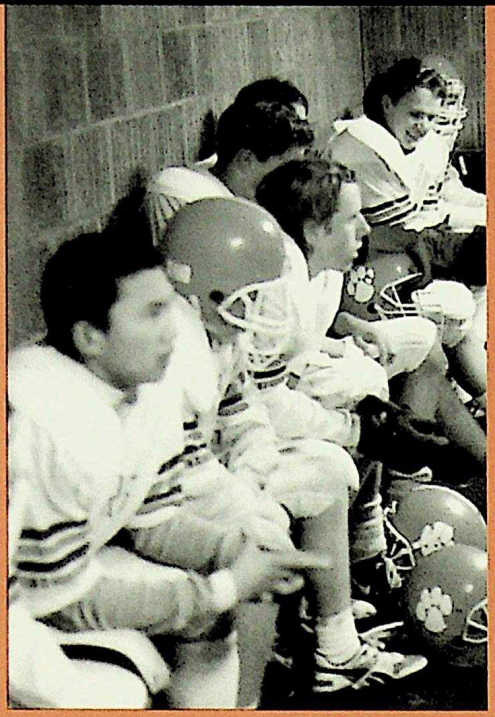


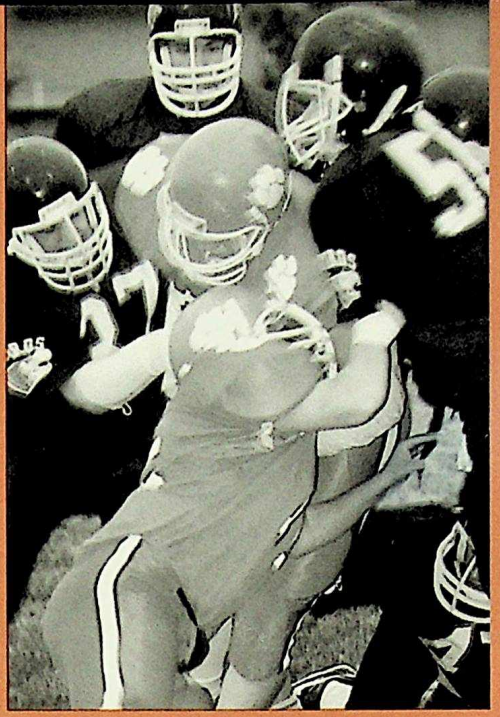






Try to remember
A kind of September
When life was slow and oh so mellow
Try to remember
A kind of September
When you were a tender and callous fellow
Try to remember and if you remember
Then follow, follow...
Deep in December, it's nice to remember
Although you know the snows will follow
Deep in December, it's nice to remember
The fires of September that made us mellow
Deep in December, it's nice to remember
And follow, follow,
Follow.





....it means the team and victory and the challenge to beat the school's own records

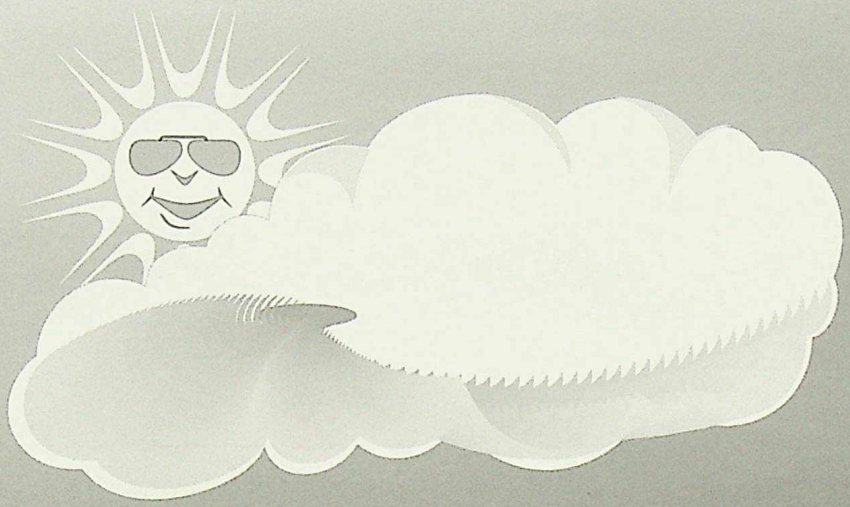
ACTIVITIES



Seasons

Student Union Council

The 1994 - 1995 McNally Students Union council started the year by spending some time together from August 21-23 at Pigeon Lake. They discussed events for the coming year including previous hits like Tiger Pride, Splasharama, and various Christmas activities. The camp was not only fun but productive, reaffirming that McNally is ... Nothing But the Best!

The year started with the Welcome Week which included such activities as eating spaghetti in the cafeteria, slurping watermelon outside, tag-team races or just enjoying the barbeque. Tiger Pride Week wrapped up with a pep rally, a big barbecue, dance, tailgate party and Senior Football Game on the Friday afternoon. Halloween pumpkin carving, Christmas pictures with Santa, and New Years fireworks were activities that ended the first semester. Valentine Candy Grams, Western Days with a casino and mechanical bull, Splasharama, and many Pep Rallies ended the year's activities. The karoake held in the cafeteria allowed some of the students to display their talents and was very popular. The talent show was given in the evening but hopefully, it will return to its noonhour time next year. Mrs. Maloney-Savage was the staff-coordinator for the students union.

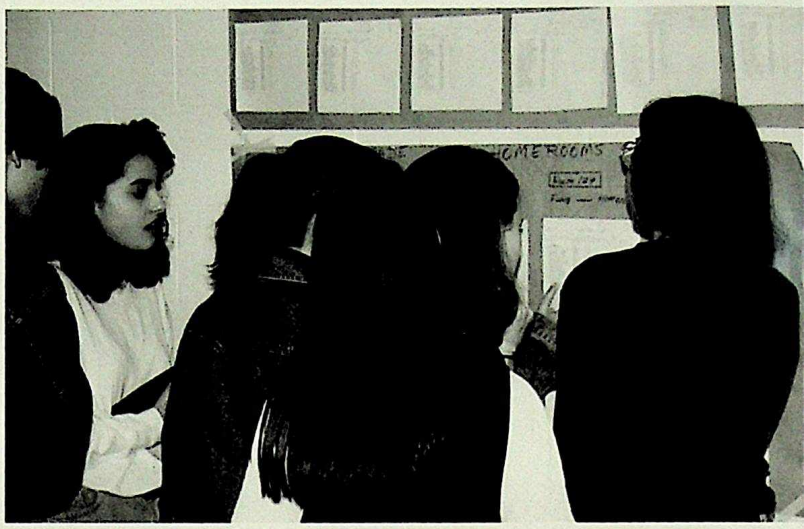
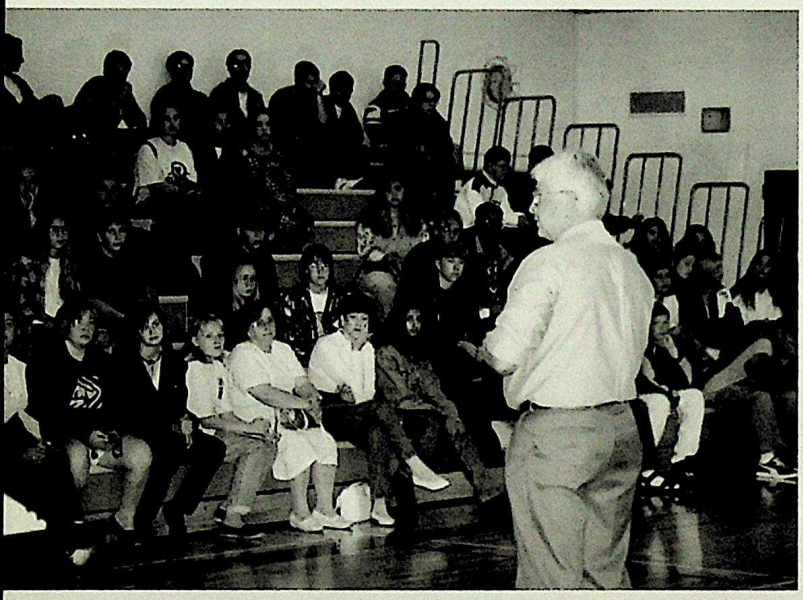
Opening Days

Openings days is an exciting and busy time for everyone at McNally. It 's a chance to get re-acquainted with old friends and to catch up on what's been happening. After two months of holidays which may have involved late nights and wake-ups, summer jobs, summer school, or just holidaying away from home, getting back to the grind may have proven to be quite a task. For the new grade 10's, it involved a new orientation requiring quick familiarity with a new environment. The usual tasks of finding the homeroom, filling out information sheets, finding new lockers, paying school fees, obtaining a student picture, and acquiring a schedule of classes was necessary for everyone.





Hallowe'en

On Oct. 31, McNally was spooked by the Halloween Howl. We started with the pumpkin carving contest in which over 25 classes participated. Congratulations to Dr. Margolin's and Mr. Oberholtzer's classes for winning the contests. Our small gym filled up with many dress up staff and students who all received prizes. The lunch hour was completed with an auction.

Pep Rallies

At several times throughout the year students and staff who have excelled in either athletic or academic areas are honored at Pep Rallies.

This year's Pep Rallies have been some of best due to the fine work of McNally's Student Council. All of the students who attended were entertained and energized by these fun filled events.

The first pep rally was during the Tiger Pride Week where all the fall athletic teams as well as some clubs were honoured. It was also a big day for our mascot, Roary! He had found love in our very first "Roary needs a date contest". The pep rally culminated with a police escort to the Senior Football game.

During the winter Pep Rally an honour ceremony was held for Marlow Weldon in recognition of his Commendation for Bravery from the Governor General. Mayor Jan Reimer made the presentation. After the ceremony, the cheerleaders, step team and junior and senior men's and women's basketball teams were introduced.

Spring Pep Rally introduced all the Men & Women's Rugby, Soccer, and Track & Field teams. In addition, as a fund raiser, the "Pack Your Bags" contest was held once again.

McNally Remembers

On November 10, 1994 all students and staff assembled in the gym to honor the persons who served in Canada's Military during the World Wars.

During the ceremony McNally's citizens heard about courage and the history of Remembrance Day and the poppy. The ceremony was a somber, yet successful event. A huge "thank-you" goes out to our M.C. Tess O'Shaughnessy; Speakers Joanna Gill, Mr. G. Rice, Ms. C. Heppell, and Dr. I. Phillips; the cadets - Angie Anders, Tom Harke, Graham Pilkington and Robert Hammel; and the McNally Band featuring Tyler Hamilton, Lisa Kadatz, and James Wilson for providing the music for the assembly.

Mr. G. Rice speaks to the assembly concerning the significance of Rememberance Day as mistress of ceremonies Tess O'Shaughnessy listens pensively.

Tom Harke, Graham Pilkington, Robert Hammel, and Angie Anders are the color guard for the Rememberance Day ceremony.

Ho ! Ho ! Ho ! Pancakes to Go

This year's Pancake Breakfast was a huge success thanks to the time and effort of many people. Special thanks goes out to the celebrities and sponsors who gave their time, services or merchandise.

Some of the more well-known celebrities from government were Her Worship Mayor Jan Reimer (McNally Alumnus), The Right Honourable David Kilgour, M.P., and Right Honourable Betty Hewes, M.L.A.; from media were Tara Nelson, Chris Durham, Kathy Spenrath from ITV; from sports were Tom Wilkinson, and Marco Cyncar, Eskimo Alumnus/Golden Bears, and Darcy Park and Sam Stetsko, McNally Alumnus/ Golden Bears.

Many other people also gave their time to our Pancake Breakfast. A few we would like to note are Mr. & Mrs. Wally Kuzyk, Richie Pon, Mr. G. Rice, Mrs. V. MacKinnon, Miss C. Ament, Mr. L. Delcioppo, and Mrs. D. Roberts, whose period 1 Food Studies Class contributed the gingerbread house. Thanks also to the many students and teachers who got up at 5 a.m. to help out.

The breakfast raised over $400.00 for grad and $1.00 from every ticket sold was donated to the Salvation Army Food Bank. The whole event helped to bring out the true meaning of Christmas.

KARAOKE SPLASH-A-RAMA

During Tiger Pride Week (Oct 11 - 14), a karaoke was held in the cafeteria. The cafeteria was packed with on lookers and many were willing participants for the karaoke. Even Mr. Mar was found dancing to "Funky Cold Medina". Tyler Hamilton provided some legitimacy to the event with his wonderful renditions. Overall, the activity appeared to be very popular.

It was cold and windy but that didn't stop anybody from getting wet. SPLASH-A-RAMA was a lunch hour full of excitement. A special thanks to Mr. Allingham, Ms. Crook, and Mrs. Youngs for adding the element of surprise to the event. Their position from the school roof proved advantageous as their shots from their high powered water guns and bombardment of water bombs found the mark.

Western Days

Western Days was held during the week of March 12-17. Various events were held during the noon hour during this week such as: Country Karaoke and western games. The best part of the week was on Friday, March 17 at the "McRodeo". During that time, Duane Tulik introduced students to the line dance "Watermelon Crawl"; Twister the Bull bucked off a few staff and students and everyone, staff and students alike, joined in the gambling fun in our casino held in the small gym. Special thanks to all staff for running the casino and especially Mr. Mills for all of his work. As well, the Students' Union ran a BBQ during McRodeo, special thanks to Mrs. M. Woolley for purchasing the supplies.

Spring Break in Europe

The group (Chris Paul, Greg Paul, Melissa Chau, Sonja Sgolik, Clarice Mah, Richard Schwabe, Tess O'Shaughnessy, Heather Yakimishyn, Dr. Salmon, Connie Settle, Ethan Bayne)left Calgary on Thursday, March 23 and 8 hrs later (at 2:00 a.m. Edmonton time) arrived in Frankfurt amidst splendid sunshine. The fine weather soon turned chilly, however, during the bus ride to Trier, the first City built in what is now Germany, and the ancient capital of Roman Gaul. In the marketplace of Trier there are western shops like The Body Shop and McDonald's, where a 1/4 pounder is called a 'hamburger royale' and a Big Mac costs $9 Cdn.

After visiting the extensive Roman Ruins the following morning, the group left for Aachen, driving through picturesque scenery and stopping for a brief tour of the fairy-tale town of Monschau, which is situated in a deep valley complete with castle, cobbled street, half-timbered houses and a trout stream. Aachen was reached in the early evening and the group had dinner in the Golden Swan Inn, a favorite haunt of Dr. Salmon when he was a student in Germany. The following morning everybody was a little late in getting up but the bus left on time for Waterloo in Belgium, where Napoleon was defeated in 1815. After visiting the battlefields and it's surrounding museums, the group headed for Brussels, for an evening in the maze of little streets surrounding Grande Place (regarded as the most beautiful square in Europe). Our hotel in Brussels, as Heather put it, was in a neighborhood not safe to go out after noon! We made the discovery that in Europe, continental breakfast means a piece of bread and a glass of orange juice.

After Brussels the next stop was Rouen, the Capital of Normandy, and the place where Joan of Arc was burned at the stake. Rouen is a beautiful city with narrow streets and many old buildings. The next day the group left for a tour of the Normandy coast, visiting the invasion beaches of WWII. The cemetary at Normandy was so large and many of the graves had Canadian flags flying next to them. We signed the guest book in the name of McNally. Vimy Ridge was amazing. No one realized how close the front lines were. The memorial had names on the side and a few people found family. The Caen War Museum and the Bayeux tapestry, an early medieval work depicting the events surrounding the Norman invasion of England in 1066 were the next tour stops.

The last 2 days of the tour were spent in Paris. It was beautiful, and very clean. (They hire people to hose down the streets!). Our hotel was a ten minute walk from the Eiffel Tower, which had an amazing view. We were lucky to ride the metro for free, due to a worker's strike. Shopping in Paris was interesting! Many of the clothes and shops were a new experience for most of us, but what caught us offguard was the adult shows on just about every street corner!

After the morning tour of the city, the students were free to visit the sights of their choice. Some visited the Louvre and the Musee d'Orsay; others went to EuroDisney; some went up into the Eiffel Tower or took an evening cruises on the Seine and the whole group met together at the Paris Hard Rock Cafe for dinner. Unfortunately the time to depart came too quickly and after a tiring flight, everyone arrived back in Edmonton in the evening of April 1st, tired, full of good memories, but pleased to be home. Thanks to Dr. Salmon and Ms. Desze, and Patrick the bus driver for the fantastic trip.

On Thursday May 25, the hiking club ventured to Jasper, leaving early in the morning. After arriving in Jasper, the group set up camp at the Whistler campground. We then headed off on a very snowy hike up The Bald Hills. After drying out upon our return to camp, we proceeded to make supper. Each of the students were responsible for preparing their own food. A tired group then retired for some nocturnal rest. On Friday morning(too early), we awoke and left for another hike to Celestine Lakes. The road up to the hiking area was extremely treacherous because of the steepness and narrowness of the road to the site. On the way back from the hike, we took the gondola up and hiked to the Peak for a perfect view of the Jasper area. On Saturday, we packed up and left for the steep Sulphur Skyline Trail. After the hike, we had the opportunity to relax in the Miette Hot Springs. We then proceeded home to recuperate for school on Monday.

United Nations Debate

The United Nations Debate which is a project in the Social Studies curriculum is held each year near the end of the school term. The majority of the students involved are the grade 11 students, though IB students in History 10x are involved as well. Some grade 12's are involved to the extent of being moderators for the debates. Students at McNally take on the task of representing a particular nation in the United Nations.

The debate culminates the many hours of preparation required for the event. Each representative puts forward the postion of the nation they represent and debate the issue. The assemblies took place in different venues of the school. As well a Delegate Banquet took place during the noon hour break featuring foods from around the world and was well attended by the participants. Certainly the school atmosphere changes when students are dressed in the various cultural costumes, suits, and dresses. The students appeared to have enjoyed the simulation which gives them some direct applications for classroom learning.

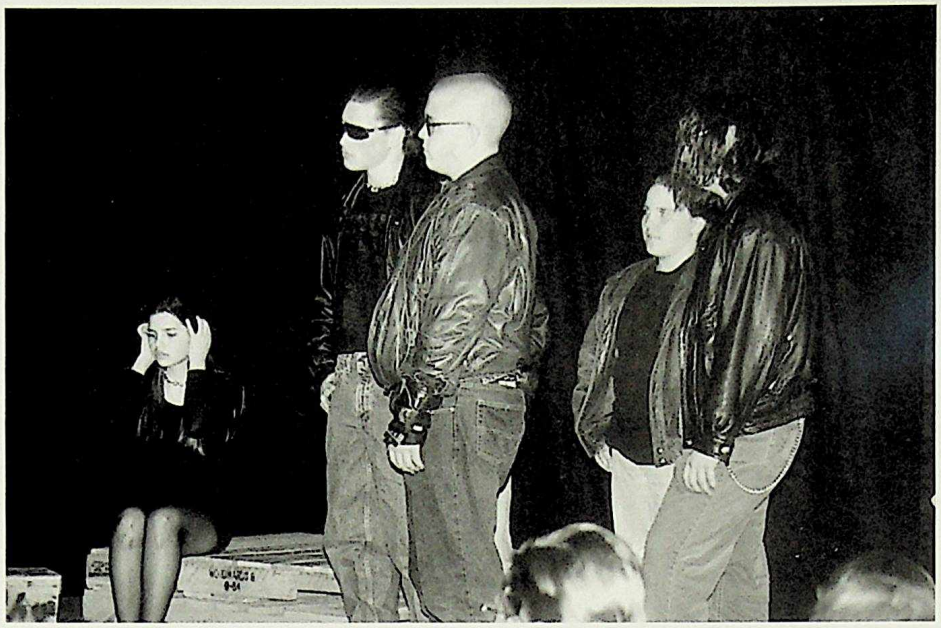
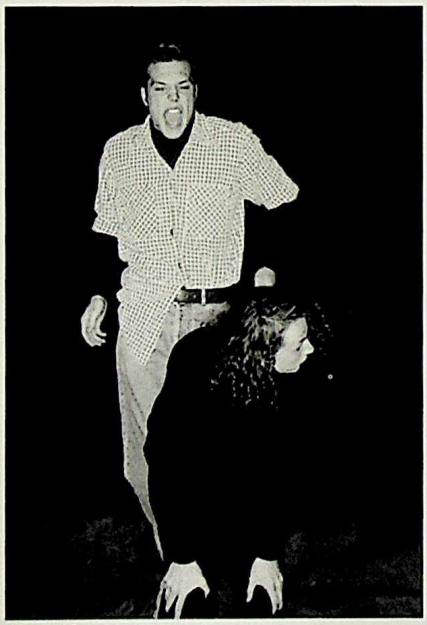
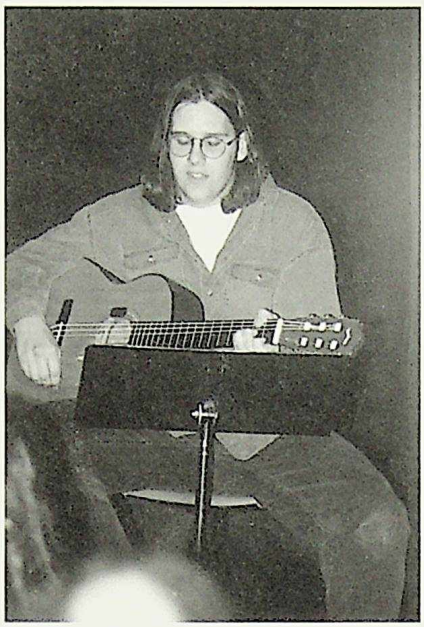
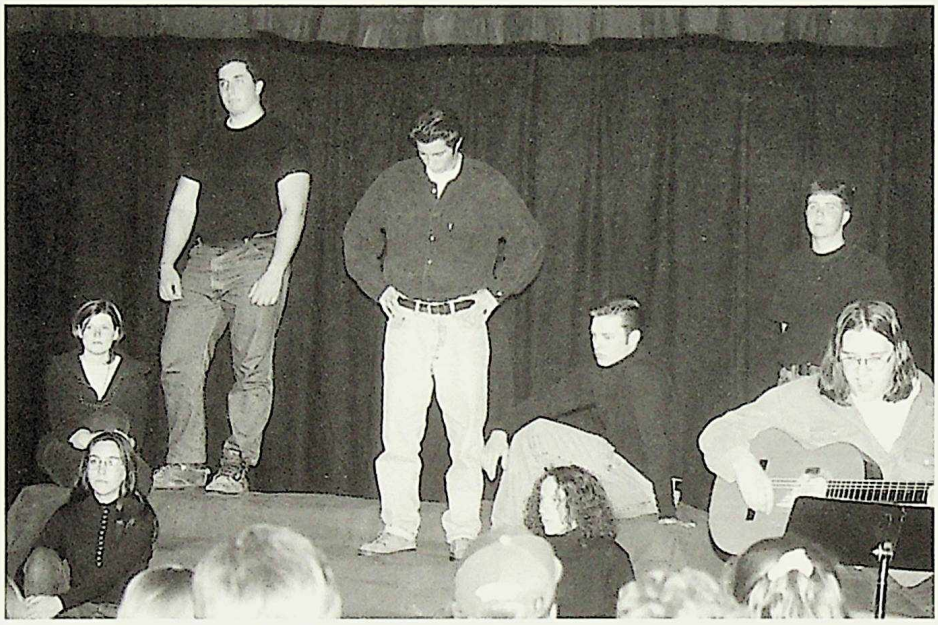
Drama

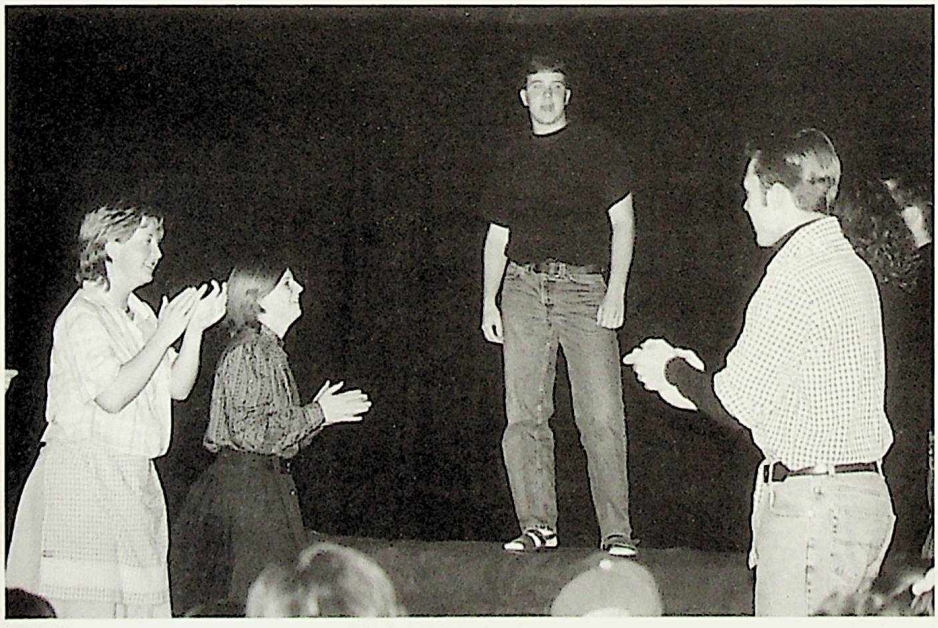
The Drama department of McNally held several drama productions during the year. The pictures on these pages are from their final spring productions of The Coal Branch, What Goes Around, and The Sun, The Moon and The Silver Baboon. The Coal Branch cast were Jordan Smith, Karen Boyd, Melissa Torrance, Michael Skoreyko, Peter Billings, Sonya Dann, Craig Ross, Adam Verhagen, Ian Diack and Steve Foster. Crew were Gee-Ming Leung and Allister Ewing. Original idea for the play was conceived by Sarah Cole, Dean Zepick, Eleanor Robertson and Susan Yeoman. What Goes Around cast were Michael Melynchuk, David Breakenridge, Chantelle LeClair, Jon Teghtmeyer, Amanda Antonio, Marlow Weldon, Geoff Armstrong, David Campbell, Steve Foster, and Thomas Maguire. Other play technicians were Byron Kay, Craig Middleton, Joseph Patton, Steve Sohnle, Kelly Anderson, James Ball, and Greg Falk. The final production The Sun, The Moon andThe Silver Baboon involved Sarah Ellis, Willa-Lee Reid, Anna Barkway, Heather Erker, Heather McEwen, and Dana Duke.

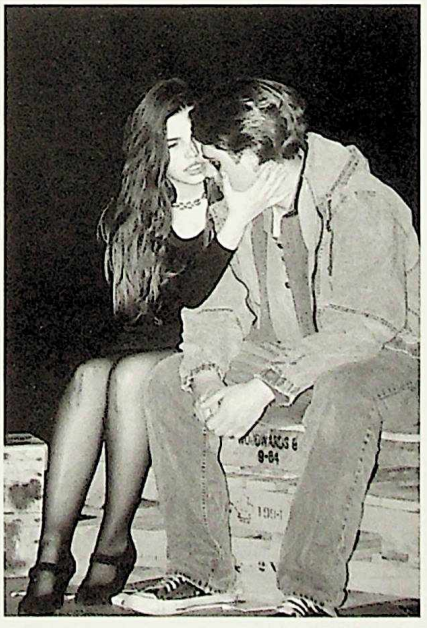












The McNally Music Department

The McNally Music program is a very active and important part of the many excellent programs offered at out school. The 1994-95 Music Program featured a concert band, intermediate band, beginner band, choir, vocal jazz, two jazz bands and a percussion ensemble. The Music Department presents many concerts throughout the school year and is also involved in variety of festivals and competitions. Following is a list of performances and activities that occurred during the 1994-95 school year.

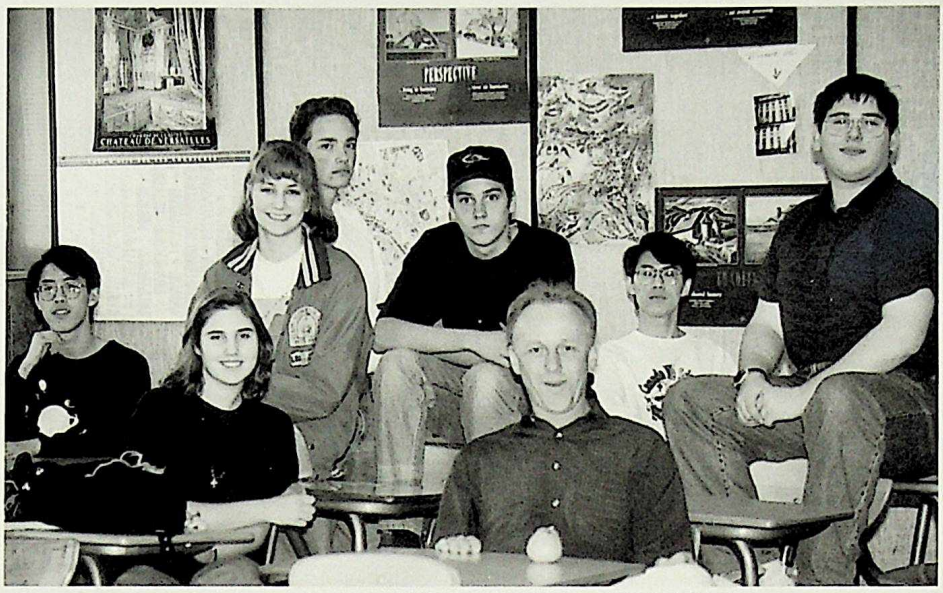
McNally Club Adagio

There was a new noon hour experience at McNally this year. It was called "Club Adagio" and was the brainchild of Mr. Maciejewski. Every Friday the strains of classical...yes classical...music streams out of Room 213.

A dozen or so students and a few staff members enjoyed the music while they ate their lunches. The programs included Dvorak, Chopin, Brahms, Beethoven.

A draw for tickets was made among the participants for tickets to an Edmonton Symphony Concert. Tony Tang was the winner.

Hats off to Mr. Maciejewski for rescuing a potential audience for the future - eat your heart out Mick Jagger.



Backrow: Andrew Tang, Jennifer Dorward, Tom Harke, Ryan Molzan, Tong Tang, and Saul Warhaft. Front Row: Gwen Ireland and Mr. Maciejewski

McNally Tiger Times

McNally once again had a school newspaper due to the enthusiasm of the editor, Jennifer Dorward. Along with her capable reporters, the Tiger Times produced four issues this year. The newspaper production gave the students ample opportunity to show their creative talents and to experience the difficulties in producing a newspaper. Thanks go out to Mrs. Douziech, the staff advisor.

McNally Chess Club

Mr. Glasel has through the years spent his noon hours supervising the ever popular chess club. Each year he is able to find the more talented students who are willing to challenge their logic and reasoning through the game of chess.

The pictures on this page show some of the noon hour activities and the winners for the chess tournament.

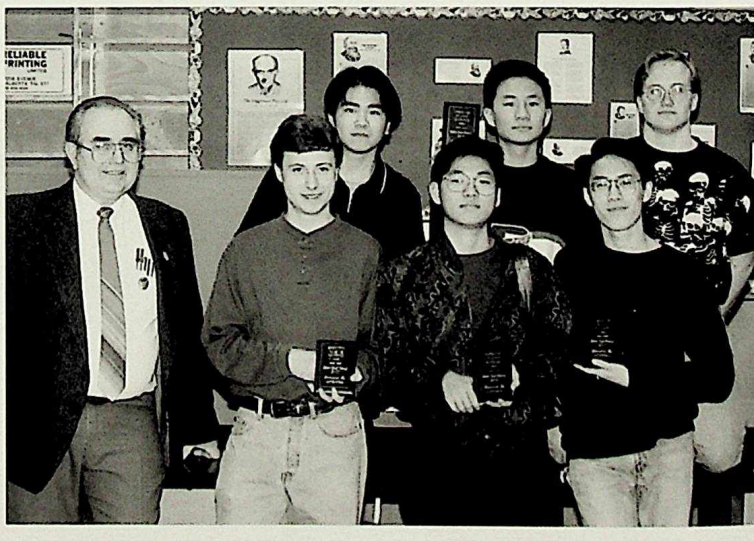
Science Competitions

On March 11th, the Senior team placed second overall at the Annual Science Olympics competition held at the Edmonton Convention Centre. The Junior team also made an enthusiatic showing, and they're eagerly anticipating next year's Science Olympics. This year's competition consisted of five fun-filled timed events, including the building and testing of a bridge made entirely of pasta; and the building and racing of a light-powered car. The Senior team members were Zsolt Gabos, Brian Lee, Hon Leong, Sean Nicoll, Tony Tang and Brandon Park. The junior team consisted of Vivek Chaitanya, Gordon Chan, John Chun, Andrew Ho and Michael Ng. Congratulations to all team members for their great effort!

Senior Team: Zsolt Gabos, Brian Lee, Brandon Park, Hon Leong, Tong Tang, Sean Nicoll



McNally Step Team

A new club at the McNally School this year was the Step Team. The club was organized to present a different style of dancing. The dancing was a combination of athletics as well as dance steps. The club rehearsed during the noon hour and then presented several routines at the pep rallies during the year. This type of dancing is becoming quite popular in the high schools in the NE United States.

Cheerleaders

The Cheerleaders have had a wonderful year! They placed 3rd in the Vic Redmen Competition. As well, they placed 2nd in both the city and provincial large squad competitions. The 1995 Cheerleading Provincials were hosted by Queen Elizabeth in Edmonton. It was a very exciting event with over a thousand spectators cheering on the participants. Bravo to a job well done by the girls and their coach.

On these two pages, pictures of the cheerleading squad at pep rallies, rehearsing for competitions, and various football games are depicted.

CLS Class

McNally CLS held their second annual Feeder Indoor Soccer Tournament March 7. Hardisty, Britannia, and Killarney Jr. High Schools participated. Thanks to the cooperative efforts of parent volunteers, McNally administration, and CLS Staff and students, the tournament was a great success. Once again this McNally tournament demonstrated that we are "Nothing but the best!"

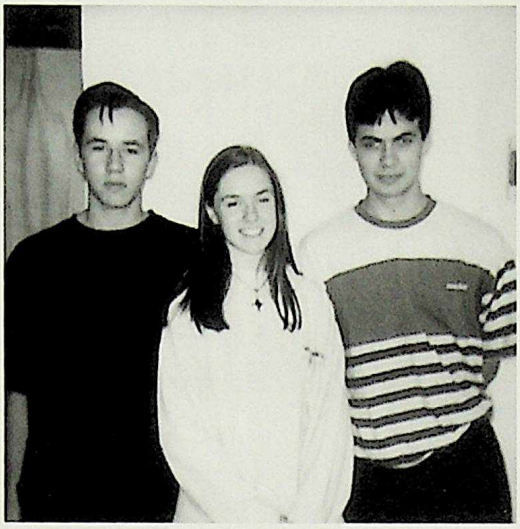
Student Exchanges - Germany

Canada - what did we expect from this country before we came here? Bears, upending forests, snow, cold, big steaks, McDonald's, ...

We were surprised that Canada offers much more than these stereotypes. We were most impressed by the enormous hospitality, not only that of our host families and our exchange partners, but also of the other people we met in Edmonton. This fact made our arrival and the following week, especially the time at a totally different school, easier for us. However, we soon realized that there were considerable differences between McNally and our schools in Germany.

We were really surprised by the variety of different subjects, for example, Food Studies and Drama, that we could choose from. Also the fact that you meet different people in each class is different from Germany where you are taught with the same group of students in different subjects. All the people we met in our classes were very



open-minded and helpful although the contacts remained superficial in most cases. Another point we want to mention is that the style of teaching of most teachers here is much more casual, less strict and more informal than in Germany.

Nevertheless, we want to thank all our teachers at McNally, especially Dr. Salmon, the office staff and all the guys we met in and outside our classes for their help and great support.

Special thanks to Kellie Jackson, Ryan Stolz and Hughe Rose, our exchange partners. We hope they'll have as much fun in Germany as we had here in Edmonton. Although we are looking forward to seeing our families and friends back in Germany again, we agree that the three months were definitely too short and that we wouldn't mind at all having some more time to spend in this fascinating country.

Finally, we want to say that this exchange is no doubt one of the greatest experiences we have so far had in our lives . We recommend to everybody who has the chance, to take part in any kind of exchange.

Silke Schaeffer, Gerd Kruck, and Thomas Wagner

Japan

Yamate High School in Yokohama has been involved in exchanges with North American schools since 1970. Because of its reputation for excellence, many school districts are involved in the Yamate Exchange Program. Two grade 11 Japanese students stayed with each participating Edmonton family. Japanese students were required to attend school with the host "brother" or "sister" for 3 or 4 different days, but attended various organized activities during the other school days. Japanese students take English as a Second Language during high school, and so are "semi-fluent" in English. Canadian students stayed with their Japanese host families during Japanese Summer School Holidays. The visit was a combination of host sponsored excursions and group planned ones (Japan Disneyland, Nissan Auto Plant, etc.)

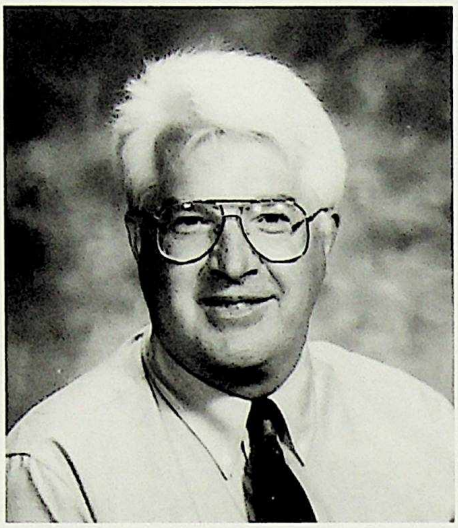
Principal's Message



Mr. G. Rice
Principal

"Seasons" is the theme of this year's Year Book. The significance of the theme of 'seasons' is that it represents the changes that have occurred with the students as they entered timidly into grade 10 and left as confident graduands in grade 12.

As we reach the end of the 1994/95 school year, it is time for us to reflect on the past ten very busy months. As students, you have continued and added to the strong tradition of the success of McNally. Our Grade Twelves proved strong leadership, and through this, set the tone for McNally. Grade Elevens and Tens -- your participation in classes and in school activities has reinforced the positive atmosphere of our school.

The success of the McNally has shown through the athletics once again this year with many of the school teams competing in the City Finals. The school more importantly has continued in the tradition of excellence with its academic success as shown through the high percentage of students graduating onto post-secondary schools. Many of the graduands have won scholarships to these institutions. McNally continues to be in the top 4 of the city academically.

The dedication of the staff in the areas of coaching and teaching has once again come to the forefront. Ms. Nancy Youngs won the Edwin Parr Award for the Outstanding First Year Teacher and Mrs. Doreen Middleton-Czajkowsky received a Prime Minister's award for Teaching Excellence in Science.

The Student Council once again brought out the Tiger Pride in the school with their many activities and pep rallies.

Senior Boys Volleyball

On Monday, November 7th, the Senior Tigers played Queen Elizabeth in a quarter final match in the City Conference. They came back from a 2 game deficit to win the match 3-2 and eliminated the Knights. This advanced the Tigers to the semi-final match against the #1 ranked M.E. Lazerte Voyagers. They approached the match with a positive, aggressive attitude and surprised the Voyagers with a 3-1 upset. The Tigers were on their way to meet Jasper Place in the City Finals on Saturday, November 12. This final match went five games and the Tigers suffered a disappointing loss, losing the 5th game 13-15 in rally point. The boys were very disappointed but realized that they had come a long way since the beginning of the year. They won 2nd place in the City Conference and were proud to receive a silver medal for all of their hard work. The dedication and commitment from all the players was evident in this accomplishment. We are definitely looking forward to continuing success next year.

Junior Boys Volleyball

McNally's Boys enjoyed a tremendous season with victories in the preseason tournament, the Camrose tournament, silver medals in the Salisbury tournament and semi-finalists in the Red Deer tournament.

League play was equally rewarding with a second place record of 10-2 and the silver medal in the Premier playoffs. With many of the players retuning for a second year of juniors, the coaches can't wait for next year to begin.

Junior Girls Volleyball

The Junior Girls' Volleyball Team finished sixth in league play with an 7-5 win/loss record. This advanced the team to the quarter finals. On Thursday, Nov. 3/94, the girls suffered a disappointing loss against Spruce Grove High School ending their season prematurely. Despite the loss, the girls had a very successful season. We were involved in four tournaments (Salisbury, Spruce Grove, Camrose, and Lindsay Thurber). We were silver medallists in the Spruce Grove and Camrose tournaments.

The girls learned a great deal this year, not only did their skills improve, but their overall sportsmanship, attitude, and zest for the game also improved dramatically.

Senior Boys Basketball

The team had a great season this year, finishing with a 12-0 record. Nait All Stars were Kevin Deol and Trefton Bollers. Trefton was also picked as the MVP for the South Division and chosen on the All-City Journal Team. The highlight of the season was the tournament in Hawaii. The students showed well in the tournament and enjoyed the trip completely. The team members will surely remember the experience for a long time.

Senior Girls Basketball

The Senior Girls Basketball team, despite their disappointing semi-final loss to Harry Ainlay, had a very successful season. The girls finished fourth in league play. The girls travelled to six tournaments this year and finished first in Airdrie, third in Ponoka, and were consolation winners at NAIT. The most successful part of our season was the growth of the players both on and off of the court.

Junior Boys Basketball

The 1994-95 team had a tremendous season and proved that they were the team to beat all year long. The team finished the regular season in first place in the south zone. The following is a list of the team's accomplishment: Regular Season Record 11-1, number 1 in the City in points for/game (83) and against/game (57). Total record (season, tournaments, playoffs): 29 - 3. Tournaments: Eastglen(3rd), Bev Facey (Champions), Hunting Hills (Champions), Salisbury (Champions) and McNally (Champions).

The boys went into the playoffs confident and ready to win after beating M.E. Lazerte in the McNally McHoopla Tournament on Feb. 25 (Lazerte finished 1st in the north zone) . We beat Spruce Grove 84-63 in our 1st round and then we faced the always tough Ross Shep Thunderbirds. The T-birds were up by 13 points at half time but our boys demonstrated some great team work and battled back to win 103-98; in what had to be their best half of basketball all year. Unfortunately, due to student misconduct, 3 players were removed from the team 2 days prior to the city final. The rest of the team took on the challenge to play M.E. Lazerte in the Premier City Finals. The final was a fan pleaser as the two teams were separated by a single point at half-time. In the second half the action continued as the Voyageurs opened a five point lead, but some late game heroics by Chris Wendling helped our boys to close to within 1 point with about a minute left on the clock. However, when the game ended the score was M.E. Lazerte 77-73.

Junior Girls Basketball

Words cannot describe the season the Junior Girls Basketball had. WOW! What a storybook ending. The girls finished 7th in league play; thus they were faced with a tough decision. This decision being whether to challenge the 2nd place team to stay in the Premier Conference or to drop down to 1st place in The City Conference. The challenge was made Feb. 27/95, the 7th place McNally girls defeated the 2nd place Eastglen girls to advance to the semi-finals against Scona. The momentum was with McNally for they defeated Scona in the semi-finals 56-51. Saturday, March 4/95, the McNally girlls played Harry Ainlay for the Premier Conference title. McNally was defeated 62-33; thus, placing 2nd. Excellent job girls! The Junior Girls had a very successful tournament season: Lindsay Thurber Tournament - 1st place; McNally tournament - 2nd place; Hunting Hills High School - 2nd place; Eastglen - 2nd place; Harry Ainlay - 4th place; Salisbury High School - 4th place. Well done Junior Girls!

Senior Girls Soccer

The Sr. Girls Soccer team completed another successful season, achieving a Silver Medal in City Championships. The league this year demonstrated great parity, with final playoff positions not being determined until the last regular season game. Your McNally Tigers finished the regular season with a 3-3-2 record, good enough for second place. They defeated M.E. Lazerte 2-1 in a hard fought semi-final game, but came up a little short against Harry Ainlay in the final. Jenel McQuay, selected to the All-City All-Star game.

Senior Boys Rugby

The 1995 year was another strong season for the Senior Tigers, finishing in second place in the regular season standings at 4-1-1. The team defeated the Jasper Place Rebels in the semi-finals, 26-5 and advanced to the City Championship against the Ross Shep Thunderbirds. A fast start at the beginning of the game was not enough to hold the T-birds as the team went down to defeat by a score of 13-10. Congratulations guys on a very successful season.

Fantastic Graduation '95

Valedictory Address

Respected parents, teachers, and fellow graduates. This evening, I am honored to be presenting the valedictory address on behalf of McNally's 1995 grad class.

Graduation is a time to celebrate our achievements and commemorate our independence. When we look back in life, some of our fondest memories will be of these past three years, in which we have gained more than knowledge. We entered high school uncertain of what was to come. Here, we were met with new challenges and experiences, both of which contributed to changing us into the people you see this before you tonight.

Yet, we are no doubt indebted to a number of significant people. It is these people who listened to us, counseled us, and motivated us, that deserve special recognition.

To our teachers: After countless hours of your explanation and instruction, we'd wake up on occasion, and say to ourselves, "I got up at six o'clock for this!". But as we toiled away, we discovered that hard work and perseverance doesn't hurt us. Instead, we emerge better prepared to face obstacles that lie ahead. We thank you not only for our formal education, but for your patience, encouragement, and dedication.

To our parents, who were also our first teachers: As children, you helped shape our ideals in hopes that we would turn out to be respectable, young individuals -- then, as teenagers, we refused to be seen with you. However, you still stood by us, watched over us, and provided continuous support for us throughout the years. With age came maturity (hypothetically speaking), and now as adults, we understand that you have our best interest at heart. Your guidance and wisdom has inspired us to achieve great things.

Finally, to our friends, the people who have, perhaps, shared the most in being a part of our high school lives and memories. It has been said that " a friend is one who knows you as you are, understands where you've been, accepts you as who you are, and gently invites you to grow". Although the time is approaching when we will depart to pursue our own endeavors, we can be assured that those true friends will remain.

In just a few weeks, we will abandon the comfortable routine we've followed for the past three years only to be bombarded by questions as to where our future lies. My friends, tonight we share many of the same feelings -- mixed emotions of happiness, sadness, relief, anticipation and fear. Of all these, fear will be the most difficult to bypass. Nevertheless, believing in your strengths and abilities is the best way to overcome your doubts -- and this is necessary, for the fears we do not rise above become our walls.

Life offers us infinite possibilities, but we are the ones who ultimately decide our destination. Unfortunately, the future is not always kind and accepting, and we may be forced to sustain a long and difficult journey. However, no matter which path we choose to follow, we can always rely on those around us to give us the courage we need to fulfill our dreams.

When we look back to what we have already accomplished as a school, there should be no uncertainties that we will continue to succeed in the upcoming years. We will probably have our share of mistakes and regrets, but who doesn't? There are no such things as failures, only learning experiences. It is these learning experiences that we will use to better ourselves and make the most of our lives. Nothing is beyond the limitations of the individual who has set his mind and heart upon the attainment of a goal, whatever aspiration that may be.

As we leave this auditorium tonight, we should view graduation not only as a time to reminisce, but also as a time to look ahead. And on that note, I'd like to leave you with these words:

"Whatever you do, or dream you can do, begin it"

Thank you and goodnight.

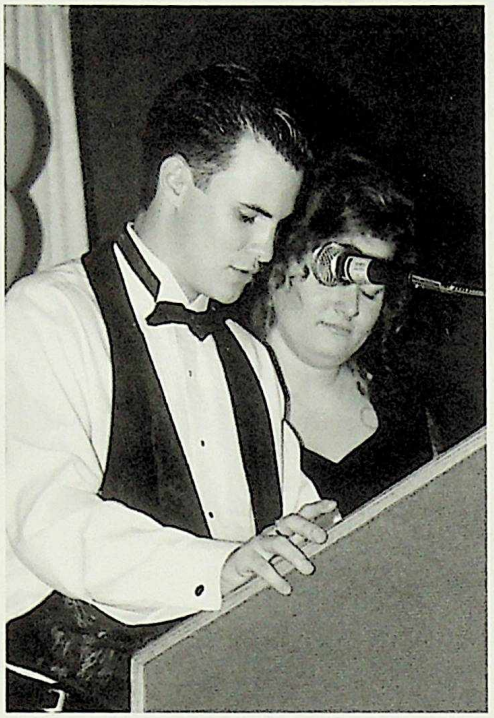
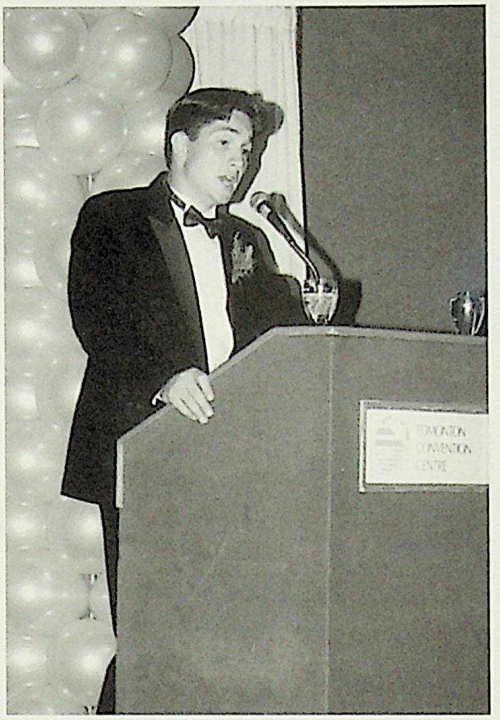
Centre 4: Edwin Jong, Corinne Blanchette, Linda Tran, and Brian Lee.





Perhaps the Grad'95 Committee should hire out to other high schools if this year is any example. Both graduation exercises and banquet festivities were an outstanding success with no hint of glitches.

Under the capable hands of Vera MacKinnon, the young people handled all aspects of the ceremonies with complete cool. Special mention should be made of the Valedictorian - Helen Yeung and the Class Historians - Chantelle LeClair and Amberly Guy. A special accolade to the composer of the grad song - Tess O'Shaughnessy - and the group that performed her composition.

The address to the graduating class was given by the ever popular Mrs. Susan Nisbet. The model-teacher from the Biology lab delivered a thoughtful yet humorous message using a metaphor of completing the last "experiment for the rest of your life". This was delivered in a brilliantly new white lab coat with a rose in the pocket.

Congratulations to the 1995 class and best of luck in the future.

Awards 1995 - An Evening with McNally's Best!

May 24, 1995 marked the annual McNally Awards Program when the school honours those who have achieved excellence in all fields of the school - academics, athletics, the arts and special subjects. This year the evening was hosted by students - **Joanne Gill** and **Tess O'Shaughnessy**.

A definite highlight of the evening was the presence of the Lieutenant Governor, Mr. Gordon Towers. Following his presentation of the Governor's General Medal, he gave an inspired message about the honour of receiving an award and the effect this event can have on one's future.

The evening culminated in the presentation of the G.Fred McNally Trophy, our highest honour, to **Maureen Matthews**, a most deserving recipient.

Many thanks to **Ruby Swekla** and her Awards Committee for a fine evening - including wonderful goodies following the program.

In Memory of Keith Erker

McNally was saddened this year with the sudden passing away of one of its students. The students were informed of the situation with the following announcment by Mr. Rice: **It has been confirmed that Keith Erker was found dead yesterday, March 16, 1995, 18 km from his vehicle near Rocky Mountain House. He was hiking in the mountains and was found on a trail, he had died of exposure.**

The following is the eulogy given at Keith's funeral by one of McNally's staff members, Mr. G. Kunyk.

I BELIEVE I'M UP HERE TODAY FOR 2 REASONS:

1. the close off-the-cuff relationship that Keith and I had
2. because I honestly believe that what I do, Keith really wanted to do

AND THAT MAYBE THE BIGGEST COMPLIMENT SOMEONE WILL EVER OFFER ME

Keith was always around the gym or out on the field playing something. From football in the fall to basketball during the winter to baseball in the spring, Keith and his friends were "hanging out" in the gym area.

One of the neatest things about Keith and this group was that they never changed in the three years they were together. The FUN they had as Grade 10's was the same FUN they had as graduating seniors at McNally. They were just being jocks.

AND THEY WERE PRETTY HARD NOT TO NOTICE.

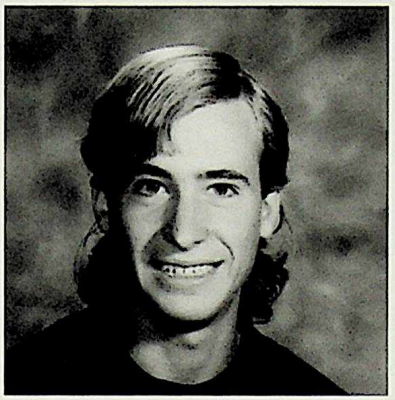
Keith took things a bit further than most. He was very keen on learning the "ins and outs" of all our classroom activities. Because of his determination as a participant and his zest for information, HE STOOD OUT.

And I noticed... even in Grade 10. Because I was envious of his early departure on a family holiday to California during Spring Break in 1992, I told Keith that his PHYS. ED. assignment was to include a 10-15 km. run each day, 200-300 sit-ups and to use nothing less than a #30 sunblock for his tanning sessions. He had a good laugh over that.

In his Grade 11 and 12 years, Keith began to drop into my office more often, not only to talk about sports but now to talk about being a PHYS. ED. teacher. The fact that he registered in both our PE 20 and 30 programs proved that he really was interested in this field. Last spring Keith asked me if I would write a letter to support his application to enter the Faculty of Physical Education.

NO QUESTIONS IN MY MIND AT ALL.

You see, in some small way I saw Keith doing all the little things I had done with my PHYS. ED. teachers when I was in high school.



1992-1995

As we know, Keith's application wasn't accepted at that time and he returned to McNally where he took part in our PHYS. ED. leadership program.

For all the positive things that Keith had brought to PHYS. ED. in the past three years, it was a a classroom leader that he truly excelled.

He basically took over one of my classes. Arranging equipment, taking stats, taking attendance, testing, setting a positive example --- he did it all --- and he did it as thorough as a professional teacher. My class didn't need me around if Keith was there.

I smile when I thing about this class on our cardiovascular training days. Not only did Keith carry out all his routine tasks, but he would also run with the class. He was always the first one back to the school. I think he did that just to make sure he could take attendance and record everyone's time.

AND THAT'S HOW HE ALWAYS WAS IN HIS DEALINGS WITH ME --- DETERMINED AND EFFICIENT... AND VERY TRUSTING.

I trusted Keith and his principles so much that as Semester 1 was ending this past January, and I wasn't sure what his plans were for the rest of the year, I asked him if he would consider a job working in my home and caring for my three children. He just kinda laughed and never really said yes or no.

THEY ONLY COME ALONG ONCE IN AWHILE--- THOSE THAT YOU SEE OR FEEL SOMETHING SPECIAL FOR. I'M PROUD OF THE FRIENDSHIP THAT KEITH AND I SHARED AND OF THE AFFECT I HAD ON HIM.

PHYS. ED. WAS GOOD FOR KEITH....
AND KEITH WAS GOOD FOR PHYS. ED.

Final Remarks

Well it's 4:02 p.m., September 11,1995 and I can emphatically say that I am finally finished the yearbook. I wish to tender my sincere apologies to the students at McNally for the tardiness of the yearbook delivery but I do have a legitimate reason. As some of you already may have been aware, I was to be married on July 15, 1995. Of course, this necessitated quite a bit of details and organization. As time passed I had to make the decision whether to spend more time with the marriage plans or to spend more time with the yearbook in order to meet the end of June deadline. It must be quite obvious to all of you what my final decision was in the end. I had an excellent marriage and subsequent honeymoon, as you can see from the enclosed picture of myself and my wife.

I would like to apologize as well to some of the sports team which had very little coverage this year in the yearbook as far as action pictures. I have learned that one does not leave taking pictures of the sports team till the final playoffs. When the Junior Girls volleyball team had their playoff game, I was not allowed by the opposing coach to take pictures with a flash and thus, the pictures were under exposed. Unfortunately, the team lost and I lost an opportunity to take more pictures. The Senior Boys basketball team was supposed to win their first playoff game quite handily so I decided to take pictures of the team at the following game. Unfortunately, again, an enormous upset occurred, and the team went down to a heart-breaking defeat. As far as the Junior Boys football team, I have learned once again, it is smarter to take pictures early in September when it is light out at 5:00 p.m. rather than in late October when it's pitch black.

Finally, I wish to thank my wife who was kind enough to type in all the grad memories and basically, try and decipher the Canadian slang. It is to her credit that this yearbook was completed at all this year. She was kind enough to allow me to give up three weeks of our summer holidays in order to complete the task. As well thanks goes out to Mr. Rob Rohac, the Yearbook Publishing representative, who helped immensely by guiding this first time yearbook adviser. He gave a lot of assistance in designing the final cover and divider pages. Thanks goes out to Tomi Brooks, Teryn Allenson, Janesta Auguston, and Jennifer Kasa who helped arrange the grade 10 and 11 pictures.

I hope you will enjoy my first attempt at being a yearbook adviser at McNally. I tried to be accurate with all the names and especially the graduands. I felt it was important to include more candid pictures and include more of the grad ceremonies in the yearbook. There were less captions because of the lack of time but I fully intend to re-introduce them back next year. I would welcome any comments and suggestions for any changes to the yearbook. I hope you will look back and have some fond memories of your year at McNally.

Mr. W. Mar signing off!!!

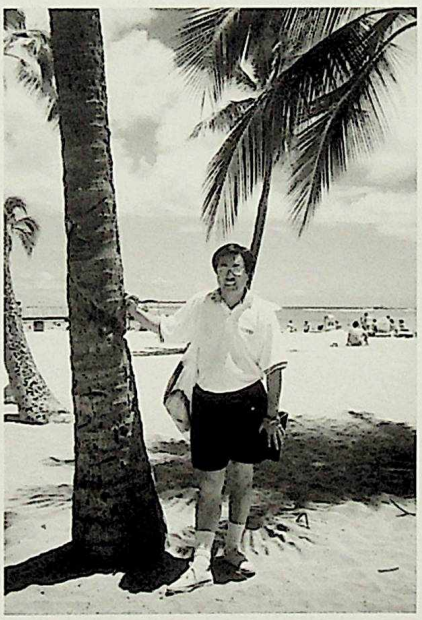
Verse 1
The time has past
The time has gone
Memories in our hearts
Time to think about the future
Time to move on

Verse 2
They say the best is yet to come
Right now we're not so sure
Soon we will be on our own
Childhood is done

Chorus.
Moving on is hard
But it's what we have to do
If all else fails
Remember I will remember you
(Repeat)

Verse 3
Friendships now & friends to be
It's hard to see you leave
But I know you'll keep in touch
Through the leagues of land and sea



Verse 4
The time has come for us to part
Begin all our new lives
Remember us always as
McNally class of '95

Chorus
